The theme Harbor of Hope was chosen to reflect the Al Wooten Jr. Youth Center's role as a place of safety, support, and opportunity for youth and families in South Los Angeles. Just as a harbor offers shelter, guidance, and a place to anchor, the Wooten Center has long served as a steady source of hope and empowerment for the community. In that spirit, the Al Wooten Jr. Youth Center is proud to honor Marqueece Harris-Dawson as the 2026 Catch the Vision Award Honoree in recognition of his exceptional leadership, steadfast commitment to South Los Angeles, and dedication to uplifting youth and families in our community. A lifelong resident of South Los Angeles and current President of the Los Angeles City Council, he has spent more than two decades championing equity, opportunity, and community empowerment. His leadership has driven transformative investments across Los Angeles, and his strong support of the Wooten Center helped secure critical funding of \$75,000 in 2022, strengthening programs, enhancing facilities, and expanding services for local youth and families. For his service, advocacy, and unwavering commitment to empowering communities, we proudly recognize Marqueece Harris-Dawson as the 2026 Catch the Vision Award Honoree.
